

SARASOTA TRAP, SKEET AND SPORTING CLAYS

***February 2010 Newsletter***

***Dang, January was cold and This month isn't looking any better.***

**Even though the " Harlen Campbell " Clinic was cold and wet it seems to have gone on without to much problem. ( to the folks that helped out )  
Thank you !**

**John Greer & Murphy have taken the lead in running the Saturday morning fun shoot along with the Wednesday evening fun shoot .  
( BIG Thank you fellows )**

**Bill Vonos has been handling the BIG 50 and it is going really well.  
Again ,Thanks Bill and your helpers !**

**Speaking of Bill, He and some of our shooters went Argentina ( I think for the heat )  
But also did some bird shooting while there. According to Ed Rogers, it went really well. ( Welcome home guys )**

**There is a survey form in the office, ask Chuck Downs for it and fill it out if you would. Thank you !**

**Hey, before I forget it again, Tom Henly & Ron Burrdick had a new pattern board made for us so we can see where we are shooting. Thank you Gentlemen !**

**Gary Russ donated a 24 foot tower for the sporting clays . Very nice and Thank you !  
Mark Wilson getting a couple of parts to get in all set to go out.**

**We also got some dirt in and starting to fill in holes and areas on the sporting clay range. Thank you Dwayne & Wayne for all your help in that area.**

**Thank you everybody !**
