Assistant Manager - Tom White

We now have more employees which have been or in the process of becoming NRA Range Safety Officers. Also a few of them want to become NRA Instructors which will happen by mid February.

We had a fun shoot this summer which worked out Great with 25 skeet,25 wobble,25 five stand. We also had enough monies left over to have TWO BBQ'S . One in the middle and one at the end of the shoot. (Thank you Norm, Jackie & Ernie)

The Big 50 is doing well along with the ATA shoots run by Bill Vosnos. (Thank you and your helpers)

The sporting Clays arena is doing quite well along with the new to me (FITASC) course . (Thank you Mark Wilson and helpers)

The Sporting Clays course has and regular and easier stations on it for everyone.

The Five stand is also doing pretty good lately. Mark & Matt tries to make it humbling I think. I Probably just need more time at it.

New shooters are greeted by Chuck in the office and then sent to John at the Trap field or Chase.

You will see Steve out in the trees filling Sporting Clays traps and handing out water to help keep everyone hydrated.

Chris Kennedy Is one of our Wrench men in the Garage along with helping out where ever needed.

Dan On his ATV is riding around fixing machines and adjusting them when needed .

Tom our Assistant Manager is ALL OVER the place Looking and doing.

Larry and Jack are doing a Great Job with the Kids in Sporting clays. (Thank You)

We been seeing more and more people coming and using the club. Skeet and Trap fields.

Thank you to EVERYBODY !
